

**2.All the staff was present throughout the year;-** As they are very much committed to the care of children, all the staff were present throughout the year except one person, had taken only two days holidays due to sickness.

**3.The children who were refused admission in different Institutions were admitted in our crèche's and they fared well. :** Four children who were not taken in any other institutions our teachers were able to manage them .They have improved well in our crèches.It is mainly due to the close attention and the care given by our crèche teachers.
